Fast Estimates: We always do our best to provide you with an estimate within 2-3 days whenever possible. Easily schedule a visit online.

We will provide you with real life examples; physical addresses of places we have built fences for so you can see our quality of work for yourself.

WE PROVIDE PROFESSIONAL SOLUTIONS THAT ARE UNIQUE TO YOU AND YOUR PROPERTY NEEDS.

Do you have structural conditions that need *creative solutions*?
As professionals, we provide you with options and answer your questions.
Uneven Ground? Slopes? Pets? Budget Concerns?
WE will save you TIME and MONEY.

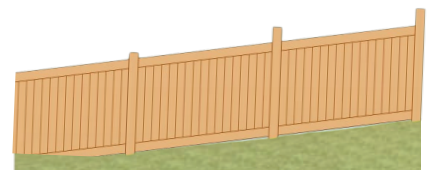

Does your property have SLOPES? Building a fence on a slope requires additional planning and considerations compared to building a fence on flat terrain. It is essential to take into account the slope's contour, soil condition, and drainage to ensure that the fence is stable and functional. We will provide the confidence you need to make the right decisions.

Stepped Down: can leave gaps under your fence

Top and Bottom Level: we can use longer materials or cut the bottom to follow the slope

Slope - top and bottom both sloped

Pet or other animal concerns? We have you covered.

We offer you confidence knowing you are dealing with a local supplier. If an unexpected windstorm blows a tree onto your panel, replacement parts are available quickly. Our Supplier is in the Lower Mainland and our products are Made in Canada.

WE PROVIDE PROFESSIONAL SERVICE AND PRODUCTS WORTHY OF YOUR INVESTMENT.
